

## Cancer

**King of Swords** This man is clever, and is often a strong leader in a professional career. He's a great strategist, with charm and ambition, but can exert pressure, too, as he's impatient to succeed. He can be relied upon to offer calm, logical judgment. An additional meaning is that legal issues need your attention just now. Take a logical approach; this is the time for mental agility rather than emotion.

**Advice:** Look to the facts before you make a decision.

## Leo

### King of Wands

This king is an action man, which makes him an engaging companion and an inspiring leader. Self-motivated, he is entrepreneurial, dynamic, and open-minded. You will know what he is thinking, as his feelings always show. Travel may be important to him, and he is connected to many people with backgrounds different to his own. Expect to find practical solutions to problems, and also see your network of friends and professional contacts grow. **Advice:** Explore your passions and look to unconventional people and new places.

## Virgo

**Ace of Cups** This Ace brings you your heart's desire as you find fulfillment through an artistic pursuit or a new relationship. You may create a 'baby' that is your project – a new business, a book, planting a garden or decorating your home. This card reveals pregnancy (the birth of someone or something), motherhood and joy. The Ace, while being a positive card, can also bring emotions that feel overwhelming. **Advice:** Open your heart and trust; you need not be overwhelmed by emotion. Just be open to what comes to you.

## Libra

**Page of Cups** Imagination A young person, or someone who is young at heart, has much to offer you and others: good company, fun, and friendship. He or she also brings you the message that love is coming your way in the future. When this Page arrives in a reading, your creative projects will also flourish – and so will your finances. An additional meaning is a young psychic. **Advice:** Enjoy the lighter side of life, and allow yourself time to play and let your imagination run free.

## Scorpio

**Two of Cups** This card predicts love, equality, and a meeting of hearts and minds, which benefits all your relationships, from friendships to romance. It also reveals a commitment or promise, such as an engagement or marriage, or an emotional investment in a shared project. This is also a healing card, so if your relationship has tested you recently, it reveals that all will be well. You can also expect someone close to you to show their love – know that they are trustworthy and dependable. **Advice:** Appreciate love and trust in your relationships

## Sagittarius

**Six of Swords** It's time to glide into more peaceful, calm waters, so this is a reassuring card if you have suffered upheaval, conflict, or uncertainty recently. The Six also predicts physical journeys over water and, in general, sees you moving on in positive ways; new work may also be on the horizon. An additional meaning is protection, in that you prioritize what's important to you, and leave behind the people or situations that no longer serve you. **Advice:** Go with the flow of life; there's no need to resist change.

## Capricorn

**Nine of Pentacles** Now is the time to treat yourself to some leisure and luxury – furnishing your home, tending your garden, indulging in your favorite pursuit, or otherwise spending on yourself – as you’ll be feeling rich in time and money. You will love your home, so you may redecorate, re-arrange, bake, and invite others to share your relaxed, comfortable space. **Advice:** Devote time and money to your interests and your home. You can be the center of your world, and appreciate all the good things in life just now

## Aquarius

**King of Cups** This King has integrity, honor, and sensitivity, and is devoted to his friends, his family and his career; when he makes a commitment, he is loyal for life. He may be distant at times as he feels everything deeply, but may not show it. As the ‘you’ card in a reading, you balance empathy with others with fairness to yourself. He also represents the ideal male partner. Follow your emotions, but don’t feel you have to explain your feelings; trust that you are right. **Advice:** Maximise your good fortune and make your money work for you; you deserve it. It’s time to make a wise financial decision.

## Pisces

**King of Pentacles** This King reveals a man who is ambitious, trustworthy and protective. When he commits to a project or relationship, he is loyal to the last. He can be a powerful business owner or leader; he has a hands-on attitude. As the ‘you’ card in a reading, he represents generosity and love; what you gain, you share with the people who are important to you. **Advice:** Protect what is yours, while helping those on their way up the ladder. Enjoy the rewards that success brings.

## Aries

**Eight of Wands** July is a good month to look at all aspects of your life, from love to family, work to creative projects, speed up under the influence of this Eight: delays are done with as decisions are made, words turn into actions, projects and travel plans fire up, and you find yourself fielding more calls, emails, socials, and meetings than ever before. This is an exciting, if bewildering time, when everything happens at once; you'll be in constant demand. **Advice:** Take a breath before saying yes to all offers - choose carefully, and you won't waste energy or time running in circles.

## Taurus

**The Tower** It may be a bit of a tough month ahead, you feel your world collapsing around you. Lightning strikes, and there is little you can do other than accept the chaos and change that it brings - this disaster is not your fault. You may be in shock at first, but this event is also a breakthrough; you are given a chance to see the world in a very different way. An additional meaning of the card is issues with property, and challenges to your security; you may be feeling vulnerable financially and in relationships, too. **Advice:** Surrender to the universe, give up control, and begin to construct a new way of working, thinking, relating or living. You now have the freedom to start over, and a strong foundation on which to rebuild whatever has fallen.

## Gemini

**Ace of Wands** You're crowned with success under the influence of this creative Ace as new projects, work, ideas, and travel plans take off. You're able to communicate well now, to share your vision and persuade others to get onside. If you've been wondering if your plans will succeed, this card tells you 'yes'. Listening to your intuition will also strengthen your spiritual beliefs. An additional meaning is fertility and pregnancy, and beginning a new journey or adventure. **Advice:** Step into your power – invent, talk and create. Whatever you say now will be well received.
